

# CDRI Diamond Jubilee Celebrations

February 2010-2011

**C**entral Drug Research Institute is one of the first and few research laboratories that were established in India right after independence under the aegis of the Council of Scientific and Industrial Research (CSIR) of India headed by the Prime Minister as its president. CDRI was formally inaugurated by the then Prime Minister of India, Pt. Jawahar Lal Nehru on 17th Feb 1951.

The institute, which made vital contributions by developing new drugs and providing commercially viable technologies for generic drugs to Indian pharmaceutical industry, is celebrating its Diamond Jubilee during the year 2010-11. With the current strength of a vast pool of multidisciplinary scientific personnel and state-of-the-art facilities for biomedical research, the institute continues to play a leading role in drug discovery and development right from concept to clinical trials.

## The following events are planned as part of the year-long Diamond Jubilee celebrations:

- ◆ Diamond Jubilee lecture series by distinguished national and international scientists.
- ◆ Seminar on hyphenated mass spectrometry techniques.
- ◆ Mini Symposia on major thrust areas of the institute.
- ◆ Three one day conferences on the three blockbuster drugs released by CDRI : Centchroman, Arteether and Memory Sure
- ◆ Seminars by research fellows and felicitation of students with best oral presentations on the Annual Day Function on Feb 17<sup>th</sup> 2011.
- ◆ CSIR Foundation Day Celebrations, Sep 26, 2010 and presentation of CDRI Awards- 2010
- ◆ Workshop on IPR with USPTO
- ◆ Sports/essay writing/art/photography competitions for CDRI family February 1<sup>st</sup> - 8<sup>th</sup> 2011.
- ◆ A two-day International Diamond Jubilee Conference during February 10<sup>th</sup> -11<sup>th</sup>, 2011.
- ◆ Diamond Jubilee Celebration on 17<sup>th</sup> February, 2011
